

4A: Greece Travel
Jeff Johnson and David O'Hara

We have taken money from the grant to purchase airfare to and from Athens, as planned, for Tuesday, January 17 2006 to Wednesday, January 25 2006. We depart from Sioux Falls and will have stops in Denver and Frankfurt. Our plan is to, as outlined, begin scouting locations and lodging for our planned trip with students over Spring Break 2007. So our real work will begin upon our arrival in Athens next month. We both remain enthusiastic about the trip and experience it will provide our students.
