Dear Arlen!

our last newsletter and big changes in our lives. We move to St. Petersburg, with a call to be the President of the theological seminary of our church. Once a year this new job will take me to the States. So I had a look at your homepage - do I still know anybody??? Don Lehman is the onla pastor I still know and if I am right, Chuck is the only person on staff that is still there. And shure, I know Vern Stundahl who was our neighbour right across the street. I am planning a trip to the states in spring next year, but ao far I have no idea whether there will be time to stop by in Sioux Falls - I really would like to!!! I wll contact you again, when my travelling scedule will be more acurate. So far please say hi to everybody - looking forward meeting you. blessings rudi
