

Children who have an incarcerated parent can experience significant feelings of loss and confusion.

Children's Connection was developed to help children in the Sioux Falls area cope with their separation.

For further information call Family Connection Hospitality House at 357-0777.

Children's Connection is designed to assist children in the following areas:

1. Building positive self image
2. Resisting negative influence and promoting positive peer relationships.
3. Developing healthy decision making and problem solving skills.
4. Providing a safe environment for children to express feelings and concerns.

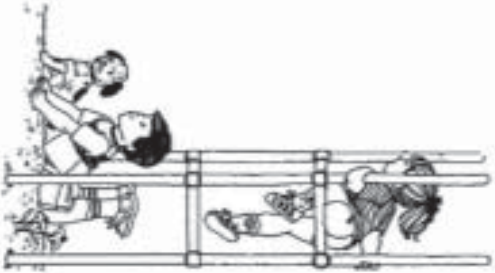

Our confidential services are **free**. They include:
