

Project Lead The Way (PLTW) Course Credit Application Engineering

Earning Augustana University credit for Project Lead The Way (PLTW) courses:

Secondary school students from any PLTW-certified school may apply for transcribed Augustana University credit. To earn credit, students must complete the Student Information section and submit it to their PLTW high school teacher for a signature to verify course grade and exam score. This completed form should be mailed, along with an official high school transcript and payment for course credits, to the Augustana University Registrar's Office. Augustana offers credit for the following PLTW courses:

Engineering Program

PLTW Course	Augustana Course	Credits
Introduction to Engineering Design (IED)	PHYS 103PL: Introduction to Engineering Design (IED)	3
Principles of Engineering (POE)	PHYS 104PL: Principles of Engineering (POE)	3
Engineering Specialization Courses: Aerospace Engineering (AE) Biotechnical Engineering (BE) Civil Engr & Architecture (CEA) Computer Integrated Mfg. (CIM) Digital Electronics (DE)	PHYS 101PL: Specialized Engineering Section A: Aerospace Engineering Section B: Biotechnical Engineering Section C: Computer Integrated Mfg. Section D: Digital Electronics Section E: Civil Engineering & Architecture	4
Engineering Design & Development (EDD)	PHYS 102PL: Engineering Design and Development	4

- Students must achieve a grade of 80% or higher in each course.
- Students must score 6 or higher on the end-of-course exam (when applicable).
- Submit an official high school transcript.
- The registration form must be signed by a PLTW teacher.
- Payment of \$50 per credit hour should be submitted along with this form.

Return completed form (see page 2) and payment to:

Augustana University
