Top 5

Adam Strenge

Adam's top 5 favorite movies...this week...

1. A Few Good Men
I'd tell you why, but "You can't handle the truth!"
2. Finding Forrester
Basketball, literature and Sean Connery...who could ask for anything more?
3. Lord of the Rings: The Fellowship of the Ring
In my opinion, the best of the three.
4. The Shawshank Redemption
A haunting tale of friendship and a testament to the power of will. "I mean, seriously, how often do you look at a man's shoes?"
5. The Dark Knight
Great acting, phenomenal plot.

Welcome to Solberg Hall!

Greetings. My name is Adam Strenge and I am the Solberg Hall Director for the upcoming 2011-2012 academic year. I am a recent graduate of Augustana College and I am excited to return to the residence hall (Solberg) that I called home as a freshman just six short years ago. Now, six years older, it is with this newfound sense of aging that I feverishly seek to impart my "heaps" of wisdom within the same hallowed halls that were responsible for so much wisdom being imparted to me. Translated, I am so excited to be back on the "south side" of campus and to be a part of an experience for all first year students that will hopefully exceed their expectations and provide an arena for their personal growth and development.

But more about me...I am currently a second year graduate student at South Dakota State University studying Student Affairs Administration in Higher Education. When I'm not studying or chatting with students, I enjoy such things as playing basketball, listening to music, watching movies, reading, sleeping (that's a big one!), eating, enjoying the company of close friends and family, and traveling. Also, I love baseball and the Minnesota Twins. I thought that was important to mention.

Anyway, here's to a great year and I look forward to meeting you all in the fall!

What does my Hall Director do?

Hall Directors are professional staff members who live in each hall, oversee daily operations of each building, supervise the PA staff, and serve as on-call emergency responders for all of campus.

Additionally, Hall Directors serve as an excellent resource for students who are struggling to connect with their peers or the institution, are challenged by their roommate relationship, or are just interested in getting more involved on-campus.

Hall Directors are concerned first and foremost with your safety and security, but also with your development as a student and citizen. As such, they will work to provide you with the support you need, while challenging you to be a positive and

contributing member of your immediate and larger communities.

Oh yeah, and they're wicked good at helping you find things to do when you aren't studying...

What does my PA do?

PAs (Peer Advisors) are second, third, and fourth-year students who have been carefully selected and trained to assist the residents of each floor, promote strong and healthy living communities, and provide opportunities for floor and building interaction and social development.

Your PA is someone you will want to get to know right away. As students, they are as "plugged in" to the Augie community as one gets. Like Hall Directors, PAs are an excellent resource for students who are

making that transition to college life. Even if things are going smoothly, your PA can offer great advice, connect you with additional interests, and be an overall positive influence on your experience at Augie.
