#### A note from the cat...

Hi Stavig!

My name is Spartacus and I assist Whitney with being a Hall Director. I'm a large black cat and I

traveled all the way from Florida to live in the best hall on campus! Some of my favorite activities are sitting in the window and watching squirrels, being brushed and eating cat treats. If you ever get homesick for your own pet, I'll be glad to hang out with you and let you pet me.

Sincerely,  
Spartacus

*Welcome to Stavig Hall!*

Hello future Stavig residents! My name is Whitney and this will be my second year as a Hall Director in Stavig and Career Counselor. Before coming to Augie, I received a degree in Interdisciplinary Social Science at the University of South Florida and earned my Master's degree at Nova Southeastern University in Ft. Lauderdale, Florida. I don't miss the beach much but I do miss living 45 minutes from Disney World!

The coolest job I ever had was working in an arena because I got to see free concerts such as Green Day and The Killers. I enjoy college football and NHL hockey and I'm hoping to keep up my perfect attendance at Augie home football games. Some of my favorite things to do are bike riding when the weather is nice, watching movies and TV and reading mystery novels. I also love traveling. In the past year I've been to England, Scotland, Ireland and the Netherlands and I am always thinking about where my next adventure will be.

I am very excited to get to know each of you and help the Peer Advisors plan fun activities to make your year in Stavig more memorable. My door is always open whether I am in the Career Center or in Stavig, so feel free to stop in any time!

See you soon!
