

# Get to know: YOUR HALL DIRECTOR

## Top 5

### Lacey Vanden Berge Top 5 Things You Need To Know About Lacey...

1. Okay so yes technically, I do have two last names. Not really though, I'm just Dutch and that's how we roll.
2. I grew up on a farm, but am the worst farm girl ever. I have never driven a tractor, much less any vehicle that wasn't automatic. Oops..
3. I love naps and become incredibly scary when awoken from one. This is your fair warning.
4. There's a good chance if you happen to walk by my apartment (and I don't happen to be napping) to hear music wandering from my windows or door. Be prepared to hear anything from Garth Brooks to Adele to Ray Charles to Justin Beiber (feel free to roll your eyes but his songs are catchy).
5. I love any type of friendly competition. Staring contest? NCAA football on PS3? Bring it on.

*Welcome to Tuve Hall!*

Hi everybody! I am Lacey Vanden Berge, and I am your hall director for 2011-2012.

"You guys might not know this, but I consider myself a bit of a loner. I tend to think of myself as a one-man wolf pack..." and then I became a Viking! Cheesy? Perhaps. In all seriousness though, I am incredibly excited for the upcoming year. Getting to know the in's and out's of Augie life and traditions is at the top of my to-do list.

According to my college roommate, I do have the annoying habit of quoting movies way too much so please do not be surprised if I happen to slip a few in randomly during a conversation and feel free to join in. If I could get Tuve Hall to speak entirely in movie quotes, my life would be complete, but if everyone knows at least one quote from "Tommy Boy" by the end of the year, I'll count it as a success.

I really am excited to get to know everyone and doing what I can to make the 2011-2012 enjoyable for you! Hope you're excited too!

## Responsible Living

Tuve Hall, is one of two (East Hall being the other) responsible living Residence Halls at Augustana in which students are given the freedom to discuss and implement their own policies regarding quiet hours and intervisitation.

- Develop engaged students in their communities
- Promote student involvement in residence halls

## Residence Life Programming Philosophy

### Our Mission

The Office Residence Life is committed to programming that is aligned with our co-curricular goals. Which is to say that our goal is to provide innovative programs, activities, and services that enhance the quality of student life in our Residence Halls. We strive to create a student-centered environment in which students are able to grow and develop. We embrace individuals to help them enhance their leadership abilities and life skills.

### Programming Goals

In an effort to accomplish our mission, we aspire to the following goals and work to:

- Provide student involvement opportunities
- Educate as well as entertain students

### Leadership Development Programming Model

Our programming is largely focused around 4 major categories, which speak to both varied student interests, as well as the need for varied experiences throughout the growth and development process.

Those four categories are:

- Health and Wellness
- Community Service
- Personal Development
- Social Issues and Awareness

### Expectations

Under the supervision of the office of Residence Life, our Peer Advisor (PA) staff has been trained and instructed on how to create, plan, and implement programming on both a floor and building level. Our residence hall programming requirements for each PA consist of:

- Monthly Floor programs
- Monthly Bulletin boards (Passive Programming)
- All Hall Programs
- Area Programs and Activities (Joint Programs with Other Residence Halls)
