

Access to Opportunity/Pathway to Success Admission Project

Students will use their talents and abilities to display their vision of the future and how Augie Access will prepare them for their career and life goals. Students will create a project of their choosing to be presented to the Augie Access selection team. This project can take on any form of expression (verbal, visual, written). Students may be expected to answer questions about their projects from the selection team.

Purpose: For the student to explore, discover, and communicate their desire to attend a postsecondary program.

Help the selection team to learn more about each applicant's talents, desires, and intentions used as a tool for part of the selection process.

Focus Question:

Make sure to answer 2-3 the following questions through your project.

1. How do you envision Augie Access will prepare you for independently living and employment opportunities and goals?
2. Why is college important to you for employment and independent living?
3. How will college create opportunities for a more independent life?
4. What do you want to gain from the Augie Access program?
5. Why do you think Augie Access is for you?
6. How do you think Augie Access will impact you?

Requirements:

Bring the end product or be ready to present and answer questions during the interview at Augustana.
