Augustana University Education Department  
Certification Only Program Options 03/2016

- Certification-only programs are reflective of the standards and requirements for admission, matriculation, and exit from the traditional undergraduate K-8, 7-12 and K-12 programs.
- Certification-only programs are designed in accordance with SD DOE ARSD 24:53:02:03.
- Certification-only programs are designed for those persons who already possess an undergraduate degree who wish to pursue a course of study leading to teacher certification.
- Certification-only programs are NOT degree-seeking program.
- Persons completed a certification-only program at Augustana University will receive a transcript which indicates completion of a PROGRAM (rather than a major) in K-8: ELED; K-12: SPED; 7-12: SEED; or K-12: EK12.
- Candidates in certification-only programs must have a cumulative undergraduate GPA of 2.60 and a cumulative GPA of 2.60 in the content major to be considered for program admission, acceptance to student teaching, and program completion.
- The Education Department, in consultation with the department of the content area, will determine if there are courses in the major needing to be completed in addition to the professional and pedagogical coursework.
- Candidates in Augustana University’s certification-only program must take the state certification exams (PRAXIS) for both content and pedagogy prior to being allowed to student teach.
- Chalk and Wire ePortfolio Lab Program Requirements: Teacher Candidates are required to register for and complete 3 Chalk and Wire ePortfolio labs throughout their program of study. All labs are for NC/no credit and NG/no grade. EDUC 200L and 300L will each meet on scheduled Tuesdays during the semester of enrollment in the lab; EDUC 400L does not meet face-to-face.
  - EDUC 200L Program Admission ePortfolio Lab (to be taken concurrently with EDUC 275)
  - EDUC 300L Pre Student Teaching ePortfolio Lab (to be taken the semester before student teaching)
  - EDUC 400L Student Teaching ePortfolio Lab (to be taken during the semester of student teaching)
