

# AUGUSTANA FUND

YOUR GIFT. YOUR CHOICE.

We are grateful for your participation in the Augustana Fund. Your support is evidence of the pride and confidence you have in Augustana's mission to provide an education of enduring worth. You may designate your gift according to your interest in the following important initiatives that support the core teaching-learning mission of the University. It is, after all, *your* gift and *your* choice.

## KEY FOCUS AREAS:

- Support for **Scholarships** is a core element of the Augustana Fund. Generations of alumni and friends continue to support this critical University need, making it possible for current students, as well as future generations of students, to earn an Augustana degree.
- A gift to the Augustana Fund in support of **Campus Priorities** ensures the greatest needs of the University are continually met to allow our students to enjoy the best experience both academically and through student life. Your gift enables Augustana to maintain and enhance ongoing improvements to the campus — which improves life for current students and makes Augustana attractive to prospective students.

## OTHER AREAS OF NEED:

- The goals and dreams of our student-athletes are supported by a community of dedicated fans — the **A-Club**. The focus of the A-Club is to help student-athletes achieve success academically and athletically. Generous contributions from individuals, families and businesses help more than 400 student-athletes in 19 sports.
- Become a Friend of the **Performing and Visual Arts** and you will join many who support ongoing operational costs, including the purchase of special music, artwork, equipment, supplies, hall rental costs, instruments, maintenance, touring and clinicians. Friends' gifts can be applied to the overall benefit of the Performing and Visual Arts (where needed most) or be further designated to be used by a specific area: band, choir, keyboards, orchestra, theatre and visual arts.
- **The Center for Western Studies'** mission is to interpret and preserve the history of the Northern Plains. Founded in 1970, the CWS is a rich resource of archival information, art, and current programming that make it a unique point of pride among Augustana's academic and cultural offerings.
- The **Augustana Library Associates** provides unrestricted annual support for the Mikkelsen Library. The Library Associates help to expand collections and provide the information and technology resources necessary for today's students.
