AUGUSTANA FUND

Your gift. Your choice.

We are grateful for your participation in the Augustana Fund. Your support is evidence of the pride and confidence you have in Augustana's mission "to provide an education of enduring worth." You may designate your gift according to your interest in the following important initiatives that support the core teaching-learning mission of the College. It is, after all, *your gift and your choice.*

Scholarships

Support for Scholarships is a core element of the Augustana Fund. Generations of alumni and friends continue to support this critical College need, making it possible for current students, as well as future generations of students, to earn an Augustana degree.

AUGUSTANA A-CLUB

The goals and dreams of our student-athletes are supported by a community of dedicated fans - the A-Club. The focus of the A-Club is to help student-athletes achieve success academically and athletically. Generous contributions from individuals, families and businesses help more than 400 student-athletes in 18 sports.

Friend of the Performing & Visual Arts

Become a Friend of the Performing and Visual Arts and you will join many who support ongoing operational costs including the purchase of special music, artwork, equipment, supplies, hall rental costs, instruments, maintenance, touring and clinicians. Friends gifts can be applied to the overall benefit of the Performing and Visual Arts (where needed most) or be further designated to be used by a specific area: band, choir, keyboards, orchestra, theatre and visual arts.

The Center for Western Studies mission since it was founded in 1970 is to interpret and preserve the history of the Northern Plains. It is a rich resource of archival information, art, and current programming that make it a unique point of pride among Augustana's academic and cultural offerings.

The **Augustana Library Associates** is comprised of dedicated and committed supporters who provide unrestricted annual support for the Mikkelsen Library. The Library Associates help to expand collections and provides the information and technology resources necessary for today's students.
