The final DED event will be the TRIATHLON! This year...we will be giving away a television to one LUCKY random individual who signs up for and finishes the intramural triathlon as an individual. The overall champion for male and female will receive a \$100 gift card. All individual finishers will receive a triathlon tshirt. These are just added incentives to get your friends signed up today!!

Triathlon Sign up started April 17th and will end April 27th
Participant Meeting is Tuesday May 2nd at 9:00 PM in Room 230
**** THIS IS MANDATORY!!!**
The Triathlon begins Saturday, May 6th @ 6:30AM!

Please note: If your team does win the Dog Eat Dog competition, **only the people who have participated in Dog Eat Dog events will receive a champion t-shirt.** Late night activities do not count in this situation.

Because of how the intramural triathlon is scored (see below) the competition is far from over! Make sure you have someone from your team show up to the captains meeting, because information has changed from previous years. We will also be talking to you about the starting time (which is subject to change depending on the number of teams) and what you should expect if this is your first time.

Questions please let me know,
