

Campus Accessibility

Augustana College makes every effort to increase the accessibility of our campus buildings and facilities to current students, faculty and our guests who have mobility, sensory or other disabilities. Each campus parking area has designated spaces for individuals who are wheelchair users and require van accessibility or others who have handicapped parking permits. Full accessibility is a priority at Augustana College when acquiring or constructing new buildings.

Administration Building

Anyone who requires assistance from office personnel in the Administration building is encouraged to contact the specific office or if known, the particular person in advance. Staff will be able to meet you in an alternate campus location such as the Commons Building to assist you with your questions and provide services normally offered in this building.

Admission Office

Prospective students and their families should contact the Admission office in advance so your campus visit can be specifically tailored to your needs.

Contact numbers for offices in the Administration Building are listed below using the 605 area code:

Academic Affairs	274-5217	Financial Aid	274-5216
Admission	274-5516	Marketing /Comm	274-4404
Business	274-5239	President	274-4111
