THE CENTER FOR WESTERN STUDIES

. . . improving the quality of social and cultural life in the Northern Plains
. . . achieving a better understanding of the region, its heritage, and its resources
. . . and stimulating interest in the solution to regional problems.

Matching Donor Interest with Program and Project Needs
CWS FOCUSED GIVING

Have you ever wished your support of CWS could have a special impact—maybe beyond your annual membership?

With the successful conclusion of the Center’s recent endowment and exhibit expansion campaigns, we continue to seek ways to connect current CWS program and project needs with ongoing donor interest.

Through Focused Giving, donors participate in the life of the Center in specific and visible ways.
