At Augustana I am currently a:

- Third-year student or beyond. Students who graduated from high school in 2006 or before will be automatically approved for a single room.
- Second-year student who graduated from high school in 2007.
- First-year student who graduated from high school in 2008.
- Student who has a medical circumstance documented by a health care professional that requires living in a single room. These requests must be submitted to the Dean of Students Office, who will grant approval upon review of the application and medical documentation. Contact the Housing Office for more information.

We will hold a drawing first for current second year students and then, if space permits, for current first year students. You will receive an e-mail on Wednesday, April 1 notifying you if you have been awarded a single room. If not, your name will be placed on a waiting list. More singles may be granted as we move into the Spring and Summer terms.
