

## **How to Request Your Roommate**

1. Before starting, both roommates need to fully complete and submit their housing application. Then, log back into Residence and click the "Roommates" heading.
2. Click "Find Someone You Know" and select your AU start term.
3. Each student will need to enter the unique roommate code of the roommate they're requesting. This is located in the upper right-hand corner of the Residence home screen.
4. Type in your roommate's code to send a request invitation.
5. Each roommate will need to accept the invitation by clicking on the notification by their roommate code.
