

Project Lead The Way (PLTW) Course Credit Application Engineering

Earning Augustana University credit for Project Lead The Way (PLTW) courses:

Secondary school students from any PLTW-certified school may apply for transcribed Augustana University credit. To earn credit, students must complete the Student Information section and submit it to their PLTW high school teacher for a signature to verify course grade and exam score. This completed form should be mailed, along with an official high school transcript and payment for course credits, to the Augustana University Registrar's Office. Augustana offers credit for the following PLTW courses:

Engineering Program

| PLTW Course | Augustana Course | Credits |
|--|---|---------|
| Introduction and Principles of Engineering | PHYS 100PL: Introduction and Principles of Engineering | 4 |
| Engineering Specialization Courses: Aerospace Engineering (AE) Environmental Sustainability (ES) Civil Engr & Architecture (CEA) Computer Integrated Mfg. (CIM) Digital Electronics (DE) | PHYS 101PL: Specialized Engineering Section A: Aerospace Engineering Section B: Biotechnical Engineering Section C: Computer Integrated Mfg. Section D: Digital Electronics Section E: Civil Engineering & Architecture | 4 |

- Students must achieve a grade of 80% or higher in each course.
- Students must score at an achievement level of Accomplished or Distinguished, as identified by PLTW's scoring scale on the end-of-course exam. ** Please Note- Courses taken during the 2019-2020 school year are exempt from this requirement as End of Course exams were canceled.*
- Submit an official high school transcript.
- The registration form must be signed by a PLTW teacher.
- Payment of \$50 per credit hour (\$200 per course) should be submitted along with this form.

Return completed form (see page 2) and payment to:
